

# Bioresonance Intermediate Training Day

Saturday March 10th & Saturday August 11th, 2012

**Lecturers:** **John Doyle** — Rayonex representative for the UK

**Christine Doyle** — Bioresonance practitioner (BaPS), Lymphologist, Iridologist, Clinical Nutritionist.

Bioresonance according to Paul Schmidt is going from strength to strength and the new RAH module has been instrumental in expanding its usage. It has always been our goal to help Rayonex users to work effectively with their devices, therefore we endeavour to provide ongoing training and support through Intermediate and Advanced training days.

The Intermediate training day will concentrate on some of the more specific applications and will be invaluable for those who wish to move on from merely harmonising with single frequencies to the integrated programmes. By the end of the day you should have endless possibilities before you!

## Programme:

### Morning Session

- ▶ Different test methods: Relations Test; Rotation Test; Energy Test
- ▶ Working with substances to determine benefits or side effects
- ▶ Testing substances for the presence of toxins (household & personal care products etc.)
- ▶ Case histories (Christine Doyle).

### Afternoon Session

- ▶ Allergy testing — mild intolerance to strong allergy & desensitising
- ▶ Working with Rayonex Analysis & Harmonising module (RAH)
- ▶ A working testing protocol (Christine Doyle).

## Schedule:

- 9.30am Registration and refreshments
- 10.00am Morning Session
- 11.30am Refreshments (15 minutes)

Directions and maps will be sent along with booking confirmation.

Health Leads UK has been trading since January 1996. We continue to produce health supplements of the very highest quality and we achieve this in two ways. Firstly, by avoiding the use of additives during the manufacturing process and, secondly, by sourcing organically grown herbs and uncontaminated oils, minerals and vitamins. To emphasize this unique selling point we have adopted the slogan:

**Health Products With No Harmful Additives**

Health care practitioners and their clients find our products are just what they need to restore health and maintain a healthy lifestyle. Visit our website and order on-line, or telephone our customer care team.

We are delighted to be holding these events in our new purpose built training room at our premises in West Wales. There are several comfortable hotels nearby should you require overnight accommodation. We can confidently recommend the newly refurbished Emlyn Hotel in nearby Newcastle Emlyn (01239 710317). We have negotiated a 10% discount for Health Leads delegates. Please make your booking by phone and quote Health Leads Corporate rate.

Alternatively you may wish to try the local guest houses —

**[www.maesyderw.co.uk](http://www.maesyderw.co.uk)**

**[www.noddfabedandbreakfast.com](http://www.noddfabedandbreakfast.com)**

**[www.happydonkeyhill.co.uk](http://www.happydonkeyhill.co.uk)**

All these are just under 2 miles from Health Leads.
